Subject: Request for Approval of Personnel to Attend an International Academic Conference

Enclosures: 1. Project Proposal and Agenda for The 25th Asian Conference on Clinical Pharmacy (2026 ACCP)
2. Table of Registration Fees (Inclusive of Payment Fee)

Dear Dean of the Faculty of Pharmacy / Hospital Director / Provincial Chief Medical Officer

The Pharmacy Council of Thailand, through The College of Pharmacotherapy of Thailand, has a core mission to serve as a central hub for communication and the exchange of academic knowledge, as well as other activities related to specialist training in various fields. This is achieved in collaboration with educational institutions, associations, and clubs both domestically and internationally. In this regard, the College, in partnership with the pharmacy professional network, has scheduled the international academic conference, **The 25th Asian Conference on Clinical Pharmacy (2026 ACCP)**. The conference will be held under the theme "Borderless Pharmacy Practice: The Collaboration for Sustainability and Cultural Integration" from July 9 – 11, 2026, between 08:00 a.m. – 16:30 p.m., at the Centara Grand & Bangkok Convention Centre at CentralWorld, Pathum Wan District, Bangkok. The objective of this event is to promote borderless cooperation in pharmacy practice and integrate cultural diversity for the sustainability of the healthcare system in the Asian region, as detailed in Enclosure 1.

Therefore, The Steering Subcommittee for Organizing the International Conference: The 25th Asian Conference on Clinical Pharmacy (2026 ACCP) respectfully requests your approval for Somchai Jaidee, a member of your personnel, to attend this conference. The registration fees for attending the conference are detailed in Enclosure 2.

This is submitted for your kind consideration and approval. We would also highly appreciate your assistance in publicizing this information to the personnel within your organization.

Sincerely yours,

Wichai Santimalakwong

(Assoc. Prof. Dr. Wichai Santimalakwong)

President

Steering Subcommittee for Organizing the International Conference:

The 25th Asian Conference on Clinical Pharmacy (2026 ACCP)

The 25th Asian Conference on Clinical Pharmacy (2026 ACCP)

Theme: Borderless Pharmacy Practice: The Collaboration for Sustainability and Cultural Integration

Date: July 9–11, 2026

Venue: Centara Grand & Bangkok Convention Centre at CentralWorld, Pathum Wan,
Bangkok, Thailand

1. Rationale and Background

This international conference focuses on the comprehensive development of the pharmacy profession, specifically in clinical pharmacy and specialized patient care. Key areas include infectious diseases, cardiovascular diseases, obesity, nephrology, oncology, neurology, psychiatry, palliative care, and pharmacotherapy for pediatric, geriatric, and critical care patients, as well as the prevention and management of adverse drug reactions.

The event provides a platform for participants to exchange knowledge and learn from the experiences of local and international experts in managing complex diseases and optimizing patient care. Additionally, attendees will explore current research trends, pharmaceutical innovations, technological applications, and the development of evidence-based practices. These insights aim to enhance clinical skills, ensuring more efficient and safer patient outcomes.

Furthermore, this conference serves as a vital arena for networking and fostering collaboration among pharmacists, researchers, and academic faculty from various international universities. By facilitating the exchange of pharmaceutical education experiences, the event seeks to drive the profession toward excellence and integrate new knowledge and innovations for sustainable patient medication safety.

For the 25th ACCP, the Academic Committee has collaborated closely with ACCP executives to ensure that the three-day program is rich in educational content and practical applications. Numerous domestic and international speakers are prepared to share their expertise in academia, professional practice, and research. The event will also feature poster presentations and excellence awards for top oral and poster presenters to inspire further advancements in the field of clinical pharmacy.

2. Objectives

- To provide a platform for participants to exchange clinical pharmacy knowledge with professionals and pharmacy students at both national and international levels.
- To enhance clinical skills and practical applications for patient care.
